People need to take care of the animals and the earth.

(Gen. 1:26-28, Ps. 8:4-6)

Christians should tell other people how much God loves them.

(Matt. 6:10, 28:18-20)

People should act and speak the way God wants them to.

(I Cor. 10:31)

God has a plan for people because he cares about them.
